

Junior Leadership Team Meeting Minutes

23rd November 2016

Agenda:

1. Evaluation of Anti- bullying week

Really well because they understood more- the definitions of bullying. Children have seen an impact on the playground, less people telling others off for minor things instead of saying it's bullying.

We all now understand what it means!

Excellent assembly! Children are now using the correct vocabulary!

Children think it has been very successful!

The rude, mean, bullying poster is something that the children can foresee carrying on in school – we will continue to refer to it! Class teachers are referring to it too.

The highest profile that it has every had – it has improved a lot!

Have we ever had an assembly before? Children can't remember it being this big before!

Next year- music video for 'Hey, bully!'

Dominic Berry for a Bullying Poem

2. Map of playground- children feeling safe

Child's interpretation – all children thought Elisio's drawing was excellent!

JLT are to take the drawings back to class and ask their class mates to establish where they generally feel unsafe on the playground – mark in red 2/3 key places.

Remember to thank Elisio for his drawing at an appropriate time.

3. Children to approve changes to the Behaviour Policy

Mrs K to put forward changes to Mrs Clinton

The new children's policy pulls children in, it's easier for us to read it because it is more colourful and is in words that we will understand!

4. Questionnaires ready for children to take to classes

Mrs K has had a little rethink about sending this out just yet – probably after Christmas now.

5. Amendments to the Home-School Agreement

Mrs K to put forward changes to Mrs Clinton

6. AOB

Playground equipment / games – too many people playing games at one time but there isn't enough equipment out. Year 5s and 4s aren't using the playground properly – listening to Buddies.

Can we have music playing on a stereo in the playground? New music that has come out, children say it would have to be appropriate.

Facebook- some parents really like our page. The children are not sure how many people know about our Facebook. FACEBOOK CHALLENGE- 500 Facebook likes

How are we going to promote it?

Posters on gates, in the car park

Encourage parents to tell each other about it

Have you liked our Facebook page @ the Christmas Fair

Group text

Reading Records

Next Time:

- Evaluate the Christmas Fair
- Playground Map – where do children feel safe
- The lunch time provision outside
- Next meeting – 25th January 2017
- Facebook challenge

New website
