

CHILDREN'S ACCEPTABLE USE POLICY

"We come to a Roman Catholic School and so believe that Jesus was born, died and rose again for everyone. We aim to help, encourage and show God's way to our families, making sure that our Catholic traditions and faith are kept alive. Each year at school, we learn a little bit more about our faith so that we can grow to love God and each other more."

At our schools, we seek at all times to be a witness to Jesus Christ. We remember this when putting our policies into practice. Therefore this policy will reflect the Catholic identity and mission of our school and the values it proclaims.
