**Our Statement to live by next week is:
'PREPARE THE WAY OF THE LORD!'**

DURING ADVENT-LET US BE FILLED WITH HOPE: Advent is the season of hope, culminating in the celebration of the birth of Jesus, which brings us the good news that we are loved unconditionally by God. This Sunday's Gospel is also filled with hope. John the Baptist points away from himself towards Jesus. John makes it clear that it is Jesus that the people should follow: the hope of the world. This season of hope is a great opportunity to be spiritually refreshed, to get rid of everything negative in life and make it altogether positive: to look forward knowing that God is with us. Let's use this special time to make a fresh start and to be filled with hope.

"Always know in your heart that God is by your side. Let us never lose hope!" (POPE FRANCIS)

ATTENDANCE AND PUNCTUALITY MATTER: What a shame! We missed our whole school attendance target last week with a score of 95%. However, the children in the Reception class led the way with a fabulous attendance of 97.8%. They were rewarded with an extra 5 minutes play time this week so well done to them! The diary dates at the bottom of this newsletter highlight all of the exciting and memorable activities that the teachers have planned for the children before we break up for Christmas. We would love to see the children in school and enjoying, Nativity plays, a party day, a disco, Christmas crafts, Carols around the Crib, to mention just a few! How lucky they are! Please try to encourage your child to become an attendance HERO (Here, Every day, Ready and On time) so that they don't miss out. Thank you parents/carers for your continued support.

PRAYER AND WORSHIP: On Wednesday our Year 3 pupils led a beautiful Mass all about the theme of Advent and how 'God is coming' so we need to 'Stay Awake!'. Thank you to those parents/carers who came along to celebrate with us. Our next Mass will be a whole school Mass on **Wednesday, 20th December** and the readings to celebrate Christmas will be led by Year 5. As always, all are welcome to join us in the hall at the usual time of 9:15 a.m. Come and join us!

READING TOP TIP: This week's...well actually this **MONTH'S** reading top tip continues to be: 'Watch a video of one of the teachers on our Facebook Page!!' Yes parents, relax...the teachers have come to the rescue!! As a special Advent treat, the teachers will be posting an Advent video recording of one of their favourite Christmas stories each and every day during Advent. Why not send the teachers a message to tell them how you enjoyed listening to them read. Perhaps you can give some feedback and tell your teacher what they could do to improve!! Ho ho ho!! Enjoy!

EYFS STAY AND PLAY: The next stay and play will be on **Thursday, 14th December** and the session will be around activities that you can do with your child associated to the Christmas story. Nursery and Reception parents/carers welcome.

CURRICULUM NEWS: It's been another really busy week across many areas of our broad and balanced curriculum. Miss Campbell and Year 3 have been reading a book called 'How to wash a woolly mammoth.' Of course they had to have a go at washing their class woolly mammoth called Stanley following some specific instructions that they had written. Miss Chan and Year 4 had the opportunity to meet an experienced aerospace engineer. She was able to share her journey about how she developed the skills to work in aerospace and took some very well thought out questions by the children over a live chat! Mrs Fox and Year 6 have been dancing to a traditional Indian dance called Bhangra. They worked hard to keep in time with the drum whilst staying in formation. Why not visit our school Facebook page to see what your child's class has been learning about this week?

ONLINE-SAFETY TOP TIP: Our top tip this week is: **STRIVE FOR BALANCE IN YOUR HOUSEHOLD**

- Encourage your child to balance their screen time and green time, and encourage offline interests.
- Be wary of health problems from overusing technology (eyesight, posture, hearing, and so on.).

There are many guidelines floating around but perhaps there isn't really an arbitrary answer when parents or educators ask, "How much time should children spend on screens?" Perhaps it depends on what the child is actually doing. Creating and purposefully connecting online is clearly more beneficial than long stretches of passive viewing. Additionally, using technology collaboratively at suitable times is clearly better than using inappropriate apps or sites alone late at night or when other tasks (or sleep!) are a priority. So a shift in conversation to quality over quantity may be helpful as a family.

IT'S BEGINNING TO LOOK A LOT LIKE CHRISTMAS!!: Well it certainly has started to look a little bit like Christmas this week as it was time for a pantomime or two! Firstly, the children in EYFS and Key Stage 1 had a special treat on Wednesday. The actors, actresses and theatre came to us and set themselves up in the school hall. The performance was Dick Whittington and there was lots of fun and laughter had by all.

Yesterday, the children in Key Stage 2 travelled to Bolton and visited The Victoria Hall. The performance there was Cinderella and you could hear the 'He's behind you' chants all the way back in Monsall! Well done children for demonstrating what it means to have a jolly good time with friends! Thank you to Rose and Tom Usher for their donation of an ice cream treat for all children in the interval! Thank you too to the staff who gave up their time after school hours to ensure the children had some fun!

CHRISTMAS THEMED COFFEE MORNING: Attention Year 3 and 4 grandparents and great grandparents! Our children would love to invite you into school to have an informal chat with you about what Christmas was like for you when you were 7, 8 and 9 years old! They have loads of questions! Was Christmas just as magical then as it is today? Did you sing Christmas Carols? What traditions did you have in your home when you were young? What kind of toys did you play with on Christmas morning? We'll be holding a Christmas themed coffee morning in the school hall on **Friday, 15th December** from 9:00 a.m. so why not come along to reminisce about the 'good old days' and give the children another unforgettable experience in exchange for a hot tea/coffee and a mince pie!!

CHRISTMAS DISCO: On **Tuesday, 19th December** there'll be a Christmas Disco for ALL pupils. The disco will start at 4:30 p.m. and tickets cost £5.00 CASH. These are now on sale and can be purchased either at the school office or from your child's class teacher. Children **MUST** be collected from school at the usual time as staff will be setting up for the discos. There will be no after school provision on this afternoon.

KEEP THOSE WINTER BUGS AT BAY! As we go into winter, common illnesses can keep children and teenagers away from their classmates and studies. One of the best things we can all do to avoid illness is to practice good hand hygiene. Good hand hygiene helps stop infections from spreading, which means less disrupted learning time. Teach your child to wash hands properly for 20 seconds and stay away from others when sick. The [e-bug resources](#) for all ages can help you to explain and discuss hygiene habits - and why they are important - to your child or teenager. To avoid catching bugs or passing it on to others wash your hands frequently and thoroughly with soap and warm water. This is most important following an episode of diarrhoea or vomiting, after using the toilet, before eating or preparing food, after changing nappies, as well as cleaning up vomit or diarrhoea. Alcohol-based hand sanitisers are not effective against some infections. Anyone who has diarrhoea and/or vomiting should stay at home. Do not return to work or send children to school until 48 hours after the symptoms have stopped and do not visit your GP or hospital while symptomatic. If you are concerned about your symptoms, talk to your GP by phone, contact NHS 111 or visit the [NHS web pages](#). For useful handwashing tips please have a look at the [following NHS video](#)

FACEBOOK: If you aren't doing so already, please 'like' our page on Facebook so you can keep up to date with all of the latest news! Teachers will be posting about what the class are up to during the week and they'll post photos also! Search us as **St. Edmund's Manchester** and we should pop up!

SPECIAL PRAYERS: Please remember the following people in your prayers this week: Oliver O'Leary, Alice Ritchie, all involved with caring for the sick of our community, those families seeking asylum from war torn countries, Father Paul & Father Moses, the Presentation Sisters, our children and staff, all those working with environment agencies, CAFOD, the Lalley Centre and all other private intentions at this time.

A PRAYER FOR THE
Second Sunday of Advent

Jesus, you came among us
with the irresistible power of a baby,
requiring both our hands
and captivating our whole hearts.
Help us to cast aside the sin
and brokenness that we cling to,
so we might be ready to hold you
when you come again.
Amen.
