

2021-22 Sports funding for Primary Schools - What is the sports premium?

The Government provides funding to our school so that we can improve the quality of sport and P.E. for all our children. The headteacher, governors and teachers have the freedom to choose how best to spend the funds. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport. The sport funding can only be spent on sport and P.E. provision in schools.

How will we be spending the Sports funding and who will benefit?

The governors & staff of St. Edmund's agree that the funding must be used so that: all children will benefit, regardless of sporting ability or accessibility; that we target and offer additional sports and P.E. to pupils who would not normally engage in sport; that the most able pupils are given the chance to compete in tournaments and festivals of sport; that staff have access to training opportunities and continued professional development. Our aim is for ALL pupils to be engaged in regular physical activity, (at least 30 minutes a day), to understand the benefits of physical activity & the positive impact exercise has on our well-being.

Sports Premium funding allocation for 2021-22		£17,800.00	
Proposed spending			
Item/project	Approx cost	Objective	Intended outcomes
2 x sports coaches to deliver games & sports at lunchtime	£17,200	All children to have a broad range of sports and activities available to them during their leisure time. Sports coaches & TAs on duty target children who do not readily participate in activities	Children engage for approximately 30 minutes a day in quality physical activity in sports/games they either enjoy or don't have access to outside school. Increased levels of fitness sustained over time. Teaching Assistants also deliver these activities so these can be sustained in the long-term.
After school club for KS2 pupils External coach	£1900	KS2 children to choose a sport they would like to do and learn the skills of the game for 6 weeks. Staff will target children who don't have access to external clubs & encourage them to attend.	Additional opportunity to engage in physical activity with friends. Learn new sports & games. Children to enjoy the benefit of enjoying exercise in a safe environment with an experienced coach. Children have the opportunity to play the sports and games they choose.
For children to attend live competitive sports at local arenas, stadiums	Transport & ticket costs £1000	Children attend squash, football, badminton, cycling, basketball & tennis to appreciate the thrill of competitive sport	For pupils to watch and enjoy athletes at their best which will inspire them to get involved in competitive sports. For pupils to have the opportunity to participate in these sports.

For the more able children to attend more sports tournaments, competitive matches	Transport £1000 £300 membership	Participation in schools competitive games against other local primary schools. Improve co-operation and team work. Meet new friends to help with transition to high school.	Increased engagement, participation and enjoyment in competitive sports. Raise the profile of competitive sport. Create good habits. Continue to arrange games & tournaments with local schools. Continue to run in-house sports competitions.
Professional development	£800	Subscription to 'Get set 4 PE' to provide high quality planning and CPD for teachers to deliver our curriculum PE scheme. Membership to Manchester LA PE	Raised profile of PE and sport across the school. Increased confidence, knowledge & skills of all staff in teaching PE and sport. Lessons continue to be of good or better quality. Membership to Manchester PE enables PE subject leaders to access CPD and they provide CPD for ECTs.
Mental health workshops for Y6 classes & CPD for Y6 staff	£1200	6 week course for pupils in Y6 to support them with their mental health & well-being, the relationship with physical activity as well as transition to high school.	Y6 pupils are more confident to talk about their emotions, wishes & feelings, increased resilience, understand the benefits of physical activity on emotional well-being. Pupils feel better prepared for transition to high school. Y6 teachers have learned from specialist staff & are more confident in delivering this area of the curriculum to teach it themselves.
Approximate costs	£21,600
