

## Sports funding for Primary Schools - What is the sports premium?

The Government provides funding to our school so that we can improve the quality of sport and P.E. for all our children. The headteacher, governors and teachers have the freedom to choose how best to spend the funds. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport. The sport funding can only be spent on sport and P.E. provision in schools.

## How will we be spending the Sports funding and who will benefit?

The governors & staff of St. Edmund's agree that the funding must be used so that: all children will benefit, regardless of sporting ability; that we target and offer additional sports and P.E. to pupils who would not normally engage in sport; that the most able pupils are given the chance to compete in tournaments and festivals of sport; that staff have access to training opportunities and continued professional development. Our aim is for ALL pupils to be engaged in regular physical activity (at least 30 minutes a day).

<b>Sports Premium funding allocation for 2018-19</b>		<b>£17,900.00</b>	
<b>Proposed spending</b>			
<b>Item/project</b>	<b>Approx cost</b>	<b>Objective</b>	<b>Impact</b>
