

St Edmund's R.C. Primary School

Safeguarding Policy

What does 'Child Protection' mean?

At St Edmund's all of the adults around you think that your health, safety and welfare are very important both at school, home and in the community. In our school we want to create and maintain a safe school for all of our children. At our schools we want to make sure that every child is valued and listened to. We teach all children how to recognise that they are at risk and how to get help when they need it.

If you need help we will listen!

Don't keep it a secret. It is not your fault if someone hurts you.

- If someone is sending unkind messages on the internet or to your phone.
- If someone is saying funny things that you do not like or makes you sad.
- If someone is touching you where they shouldn't be.
- If someone is trying to give you tablets, cigarettes, drugs or alcohol.
- If someone is bullying you.

**If you aren't in school, you can phone
ChildLine or the police.**
