Our Statement to live by next week is:

"I TRY TO FOLLOW OUR SCHOOL AND CLASSROOM RULES."

HAPPINESS IS...: Out of his great love for us, God created us to be happy with him forever. The blessings in this Sunday's Gospel, which promise true, lasting happiness, are taken from Jesus' Sermon on the Mount and are known as the Beatitudes. To be gentle and to mourn means to share the sorrows of others and help them. To hunger and thirst for what is right, and to be prepared to be persecuted for it, needs courage and good judgement. 'Meek' really means un-pompous and genuine. The merciful don't insist on their rights, but have strength to see the point of view of others and to think of the needs of others as well as their own needs. Jesus' words would have turned upside down the thoughts that most of his listeners had about true happiness, and maybe they challenge our own ideas too.

"The Beatitudes are Jesus' way of life and they are the way of true happiness." (Pope Francis)

ATTENDANCE AND PUNCTUALITY MATTERS: Congratulations to our Nursery, Year 1 and Year 4 classes who managed to surpass our whole school attendance target of 97% last week. The children in these classes were rewarded with a well-deserved extra 5 minutes playtime this week. Now that we are coming towards the end of January, an ice-cream party awaits the winning class with the highest attendance for the month. Watch this space and all will be revealed next Friday!! Please continue to encourage your child to keep those coughs and sniffles at bay by practising good hand hygiene and the 'Catch it, Bin it, Kill it' message so that they can become an attendance HERO (Here, Every day, Ready and On time). Thank you parents/carers for your continued support.

Nursery: 97.4%	Reception: 93.2%	Year 1: 97.7%	Year 2: 95.6%
Year 3: 94.3%	Year 4: 97%	Year 5: 94.5%	Year 6: 93.8%
WHOLE SCHOOL: 95.4%			

GOING TO BE ABSENT? Gentle reminder: If your child is absent from school, it is a parent's responsibility to inform us. If we don't hear from you, this causes a safeguarding concern because we don't know your child is safe. Please help us to do our job by keeping us well informed. Many thanks for your co-operation.

PRAYER AND WORSHIP: The Year 4 children were joined by Year 2 and Year 6 at Mass in the hall on Wednesday morning. The theme of the Mass was around 'Being great for God as part of a community' and the children participated beautifully through their prayers and singing. Thank you to those parents and carers who come along to join us.

READING TOP TIP: Our top tip this week is: '**Build reading into your child's daily routine.**' Find a regular time for reading in your child's day, so that they can begin to expect it as part of their routine. This can be any time of day. Some children enjoy reading before bed, but others can just be too exhausted at night. It might be better for some children to read just after dinner, or in the morning after breakfast, when they have more energy. You can encourage your child to track their reading using a weekly reading chart. This will help them celebrate their progress.

CELEBRATING POSITIVE BEHAVIOUR: As a school this week, we have continued to remind ourselves about our behaviour policy. We have particularly focused on how we are expected to make a positive contribution in the playground during our leisure time by following the 4 Golden Rules! We have seen lots of good examples of great friendship already!

Our Golden Rules are:

- Use kind words
- Be gentle when we play so that children don't get hurt
- Be a good friend. Let everyone join in the game
- Use gentle hands

The staff have been on the look out for children who are remembering to follow our Golden Rules and certificates will continue to be awarded during our weekly Celebration Assembly.

HERE TO HELP WITH THE COST OF LIVING: Do you need some financial support and need to borrow money safely? Manchester Credit Union offers a new online short-term loan of between £100 and £750. Apply online for an immediate decision. Visit: <https://manchestercreditunion.co.uk/> for more details.

NUT ALLERGIES: We have a number of children and staff in school who unfortunately have an allergy to nuts. Parents, please be mindful of this when sending the children into school with a packed lunch and avoid ingredients with nuts or traces of nuts. Thank you for your understanding and please continue to be vigilant.

DISABLED PARKING ACCESS: As a school community, we are extremely lucky to have such a large car park that enables our parents/carers to drop off and pick up the children safely each day. Whilst parking, please use one of the many available bays at these busy times and follow the one way system when driving onto and from the school premises. As a community, we also have a responsibility to ensure that drivers with a disability can gain access to our school. Therefore, we have 3 parking bays that are clearly visible with yellow line markings for their usage. Please **DO NOT** park in these spaces unless you are holders of a blue badge. Our staff will move parents/carers on. Thank you in advance for your understanding and cooperation.

CURRICULUM ENRICHMENT: The Year 6 staff are pleased to announce not one but TWO exciting educational visits for the children in Year 6!! On Tuesday, 7th February they will be travelling by tram into Manchester to visit the Manchester Civil Justice Centre. This visit has been heavily subsidised from school fund and we are asking for a small donation of £2 payable on SIMS Pay. The 2nd educational visit is a full day workshop delivered by the Northern Holocaust Education Group on Thursday, 9th February. The workshop will be delivered with our friends at St. Patrick's school and the children will be walking there and back. For both trips, the children will be taking a grab bag lunch which the teachers will arrange with the kitchen staff.

CURRICULUM NEWS: It's been another busy week! The children in Years 1-6 have been taking some assessments so that the teachers can check on the children's progress made so far this academic year. The Nursery children celebrated Chinese New Year by making beautiful traditional lanterns and holding a dragon dance around the classroom! The Year 4 class will be exhausted after studying the effects of exercise on their body! They went into the hall to complete a strenuous work out to measure their fitness. The Year 1 class have been taking inspiration from the artist Tammy Kanet. They learnt the skill of weaving and showed lots of patience and perseverance using a paper loom. Please feel free to visit our school Facebook page to see what your child's class has been up to.

SAFER INTERNET DAY: Safer Internet Day 2023 is celebrated on 7th February this year, with thousands of people across the UK working together to champion youth voice and engage in conversations about how we can all work together to make the internet a great and safe place. This is a great opportunity to focus on online safety with your child, whatever their age. By clicking on the following link: <https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2023/parents-and-carers>. INDUSTRIAL STRIKE ACTION-WEDNESDAY, 1ST FEBRUARY 2023: Parents should have received a letter via email on Wednesday this week giving further details of the classes affected by strike action being taken by teachers who are members of the NEU union. The following classes **will not open** to pupils on Wednesday 1st February: Nursery, Year 1, Year 2, Year 4, Year 5 and Year 6. The following classes **will be open** on Wednesday 1st February: Reception and Year 3.
