**Our Statement to live by when we return to school is:
"IN LENT...I UNDERSTAND THE IMPORTANCE OF PEACE."**

DURING LENT...WE PRAY: We have now entered the solemn season of Lent when we are asked to do 3 things to help us prepare for the wonderful feast of Easter: Pray, fast, give. This week, we are focussing on our own prayers so that we can go grow closer to God. Father Paul and Father Moses invited our families to an early 8.15 a.m. Mass this morning in our book den. It was a beautiful and intimate service and we focused our thoughts and prayer on colour in creation. Of course we did, it's Rainbow Friday! Thank you to our parents, grandparents and parishoners who joined us. As always though, the children shone the brightest with their colourful responses to Father's questions. We will be having Mass each Friday and everyone is very welcome to join us.

SHOW ENCOURAGEMENT: There are times when we all need encouraging: that is, to be inspired with courage and to have our hope renewed, especially when we are going through difficult times. The snapshot of Jesus' glory in this Sunday's Gospel was an encouragement to the three disciples. For the first time they received a glimpse of the awesome divinity of Jesus. But soon they would go through difficult times and see Jesus crucified. So beforehand, God tells them to listen to Jesus and allows them to see Jesus for who he really is. Following Jesus isn't easy: it never was. But if, like the disciples, we too listen to Jesus, we will experience the encouragement that God offers freely to each one of us - today.

"With God we can do great things. Jesus is always ready to encourage and support us." (Pope Francis)

PRAYER AND WORSHIP: The next class Mass will be for our pupils in Years 6, 4 and 2 on **Wednesday, 8th March** at the usual time of 9:15 a.m. Parents/carers are welcome to come along and join us in the school hall.

ATTENDANCE AND PUNCTUALITY MATTERS: The attendance figures for each class for the last week of half term can be found in the table below. Today, the class with the highest attendance for February was revealed so well done to Year 4 who enjoyed a well-deserved ice-cream party this afternoon. The slate has now been wiped clean for March so please continue to encourage your child to become an attendance HERO (Here, Every day, Ready and On time). Please help us to do our job by keeping us informed if your child is going to be absent from school. Thank you parents/carers for your continued support and cooperation.

Nursery: 94.2%	Reception: 87.1%	Year 1: 93.8%	Year 2: 90.4%

BABY NEWS: Jenson (Y6) and his family welcomed a new baby boy, Jet a couple of weeks ago. We love to hear such fantastic news. Jenson reports that both mum and baby are doing really well. Jenson is being a superstar older brother by taking on extra chores around the house. Well done Jenson!

READING TOP TIP: Our top tip this week is: **SWAP A BOOK**. Encourage your children and their friends to swap books with each other - it'll give them a chance to read new stories, and get them all talking about what they're reading. Obviously, make sure that children have finished with their book first and ensure that the adults agree that it's okay to do a swap!!

LENTEN FUNDRAISING: Today, we returned to the traditional 'Rainbow Friday' in order to raise money for the Caritas Lenten Appeal. The annual appeal raises money for children, mums and dads across the Diocese of Salford who need help. Not everyone has the things they need to make a happy home, but Caritas, through the St Joseph's Penny Appeal, reaches out to those vulnerable children and families in our communities. They offer support in lots of different ways-from food parcels to counselling sessions, from Christmas presents to giving young mums and their babies somewhere safe to live; Caritas means something different to everyone we help. This week, we sent home small collection boxes for each family so that the children can put any spare change in for the duration of Lent. Thank you so much for your generous donations and we'll keep you all posted with how much we raise with a weekly totaliser from next week!

INDUSTRIAL STRIKE ACTION-WEDNESDAY, 15th + THURSDAY, 16th MARCH 2023: Parents, please be aware of the dates that teachers who are members of the NEU union are planning to take further strike action. Please look out for a letter via email giving further details of the classes affected. We anticipate the following classes **will be closed** to pupils on Wednesday, 15th March and Thursday, 16th March: Nursery, Reception, Year 1, Year 2, Year 4, Year 5 and Year 6. The following classes **will be open**: Year 3.

GIRLS' FOOTBALL: The girls' football team were out and about on Monday evening - taking part in a tournament at MCA. The team played 4 games, winning 3 and drawing 1 game. This meant that the girls finished top of their group! It was lovely to see how humble each player was when they won a game and how they sportingly shook hands with the opposition after each game. The girls were fantastic ambassadors for our school!

CURRICULUM NEWS: It's been a really busy start to this half term already with the children starting some of their new topics! To highlight just a few examples....The Nursery children witnessed 6 chicks hatching from their eggs! They were able to do some fabulous maths work as they counted on and back within 6 as well as some science work related to the life cycle of a chick! The Year 2 class started their next RSE topic called 'Being Safe' all about staying safe online. They even learnt a new song to help them to learn how to stay safe whilst using the internet. The Year 3 children used clay to create some Roman pottery and built upon their sketching skills learnt in Year 2 to add shading and texture whilst drawing Roman pottery.

WORLD BOOK DAY: What a fantastic success yet again this year! Our theme was...'**Not all heroes wear capes!**' and the staff were blown away by the creativity and thought that had gone into making the costumes this year. It was lovely to see that the children were able to recognise famous people, who are now household names, that have done heroic things in the past or present. Many they have read about in books and were able to talk about why these characters have inspired them. But what was even nicer to see was that the children were able to recognise the heroes around them in their every day lives. We had children and staff dressed up as medical professionals, police officers, charity workers, activists, armed services personnel, volunteers, builders, parents and a school caretaker...the list was endless! Well done to the winners in each class and we hope all of the children enjoy spending their £1 book token on a book of their choice. Thank you parents/carers for helping us to bring World Book Day to life!

PACKED LUNCHES: We pride ourselves on being a healthy school and therefore we have always pledged that meals in school should be healthy meals. In the past, we have done workshops with parents who prefer to provide their child with a packed lunch. This is entirely parental choice. We ask, that parents work with us to ensure that, like the children who have school meals, our packed lunch children also have a healthy lunch. For example, all parents and children have always known that fizzy drinks are not allowed as part of a packed lunch; only water or milk. Sweet treats should be kept to an absolute minimum of one small treat in the packed lunch.

WATER BOTTLES: This is a gentle reminder for everyone really. Let's work together to ensure that our children are remembering to be hygienic. Staff are finding that water bottles are being left in school over the weekends and during holidays. Children need to bring them home and get them washed out with hot and soapy water. Let's keep the those germs and bugs at bay!

SCHOOL UNIFORM & P.E. KITS: Another gentle reminder to children and parents. Children are expected to have their school P.E. kit in school every day ready for their P.E. lessons. This consists of a white t-shirt and either black or navy shorts.

FACEBOOK: If you aren't doing so already, please 'like' our page on Facebook so you can keep up to date with all of the latest news! Teachers will be posting about what the class are up to during the week and they'll post photos also! Search us as **St. Edmund's Manchester** and we should pop up!

SPECIAL PRAYERS: Please remember the following people in your prayers this week: Sister Philomena Jordan (RIP) and family, the Presentation Sisters, baby Jet and the Rogers family, Maureen Duffy and family, Andrew Betney, Josephine Ekuase, Mrs Balagizi, Margaret Williams, all involved with caring for the sick of our community, everyone affected by the devastating earthquakes in Turkey and Syria, those families seeking asylum from war torn countries, Canon Paul Daly, Father Moses, Deacon Stephen, the Missionaries of Charity Brothers and all other private intentions at this time.

Encouragement for Today...
In your darkest hours,
I am there. In those
lonely places, I am
there. When you are
afraid, I am there. I will
always be with you in
every season. You are
not alone. ~Your Jesus

Stay with us, Lord...on our Lenten journey.
